¹⁾ asterisk at the ordinal number identifies that within the requirement specification, the certification body is allowed to include new/updated/revised normative documents from time to time. Updated list of documents within the flexible scope of accreditation is available from the Certification Body Manager

²⁾ if not stated otherwise, the NDT personnel certification is available in all of the specified product/industrial sectors

Explanations:

UTT Ultrasonic Thickness Testing

UT-SWT Ultrasonic Spot Weld Testing

Accreditation for authorization/notification purposes

Ordinal number ¹⁾	Name / Personnel category	Conformity assessment procedure	Basic requirements / harmonised technical specifications: product specifications/ characteristics/ technical standards ²⁾
1.	Pressure equipment according to the Gov. Reg. No. 219/2016 Coll., resp. the Directive 2014/68/EU		
1.1	Personnel undertaking permanent joining	GR No. 219/2016 Coll. Annex 1, cl. 3.1.2 Directive 2014/68/EU Annex I., cl. 3.1.2	GR No. 219/2016 Coll. Annex 1. cl. 3.1.2
1.2	Personnel undertaking non-destructive testing of permanent joining	GR No. 219/2016 Coll. Annex 1, cl. 3.1.3 Directive 2014/68/EU Annex I., cl. 3.1.3	GR No. 219/2016 Coll. Annex 1. cl. 3.1.3

¹⁾ Asterisk at the ordinal number identifies that within the scope of accreditation, the certification body is allowed to include new/updated/revised technical specifications listed in the relevant conformity assessment procedure for the assessment of conformity with basic requirements. The precondition is that the product area, regulations and conformity assessment procedure must not change.

²⁾ Updated list of standards/normative documents is available from the Certification Body from the Certification Body Manager.
