

FAMI-QS - Feed Additives & Pre-Mixtures Quality System

Overview

Effective consumer protection requires complete controls at all stages of food production, including animal feed.

FAMI-QS is a global quality and feed safety management system for Speciality Feed Ingredients. It is a management system certification based on the FAMI-QS code of practice and both manufacturers and traders of speciality feed ingredients can obtain this certification.

FAMI-QS complies with the guidelines of the IAF MLA (International Accreditation Forum Multilateral Recognition Arrangement)

Benefits of FAMI-QS:

- Cost effective as it uses processes for prevention rather than detection
- Implementation of GMP requirements (Prerequisite programs)
- Hazard analysis to evaluate the hazards to food safety.
- Process improvements & reduced customer complaints

Why to choose TUV India ?

- Approved for various national & international accreditations for provision of Certification services
- Wide pool of highly qualified and experienced

Auditors and Tutors across India

- Comprehensive and diverse range of value-added services
- Key account management
- One-stop solution for your certification requirements

The route to certificate:
